

NON-DISCLOSURE AGREEMENT (NDA)

This Non-Disclosure Agreement is made and entered into on this _____, by and between:

1. Disclosing Party

Namaah Private Limited Represented by: **Rahul Bharath, Founder, Executive Chairman & Managing Director** Hereinafter referred to as the **"Company"** or **"Disclosing Party."**

2. Receiving Party

Name: _____

Email: _____

Phone: _____

Hereinafter referred to as the **"Receiving Party"** (which may include an intern, trainee, freelancer, consultant, contractor, or any other engaged individual).

The Company and the Intern may individually be referred to as a **"Party"** and collectively as the **"Parties."**

1. PURPOSE

The Intern acknowledges that during the course of training, internship, employment, collaboration, or engagement with the Company, they may receive access to confidential, proprietary, business-critical, client-specific, and sensitive information.

This Agreement outlines the conditions under which such information must be protected.

This includes work and information relating to **all present and future pillars** of Namaah Private Limited, including but not limited to technology services, design and creative services, marketing and sales, entertainment and content production (including scripts, storyboards, AI-generated videos, and children-focused content), irrespective of role title or designation.

Any reference to "Intern" in this Agreement shall be deemed to mean the Receiving Party.

2. DEFINITION OF CONFIDENTIAL INFORMATION

"Confidential Information" includes, but is not limited to:

2.1 Business & Operational Information

- Client lists, client names, client briefs
- Business strategies, marketing strategies, sales plans
- Pricing models, project costings
- Project workflows, frameworks, pitch decks
- Trade secrets, proprietary methodologies, internal processes, business know-how

2.2 Technical & Creative Information

- Code, scripts, algorithms, data models
- UI/UX files, design systems, branding files
- Animation files, 3D assets, game assets, digital assets
- AI models, prompt systems, automation workflows
- Prompt libraries, prompt chains, prompt repositories
- Agent configurations, AI assistants, AI workflows

This document is confidential and intended solely for the recipient. Unauthorized distribution or reproduction is prohibited.

- AI training datasets, fine-tuning datasets
- Evaluation frameworks and benchmarking systems
- Automation templates, orchestration workflows, pipelines
- Internal AI methodologies, frameworks, and operating procedures
- Story ideas, story arcs, episode outlines, dialogues, screenplays
- Characters, character names, backstories, traits, visual identities
- Story worlds, universes, lore, settings, plot devices, formats
- Storyboards, shot lists, moodboards, animatics
- Voiceovers, narration scripts, lyrics, jingles, concept notes

2.3 Documents & Digital Assets

- Reports, proposals, agreements, research documents
- Internal communications
- Login credentials, passwords, access tokens

2.4 Employee & Intern Information

- Personal data
- Performance reports
- Internal documents related to staff or management

2.5

Any information explicitly marked “**Confidential**” or “**Internal Use Only.**”

Confidential Information may be shared in written, verbal, audio, visual, digital, AI-generated, or any other form.

3. EXCLUSIONS

Confidential Information does not include information that:

- Is publicly available through no fault of the Intern
- Was lawfully obtained from a third party without breach
- Was independently developed by the Intern without using Company assets
- Must be disclosed pursuant to a legal or statutory requirement (with prior written notice to the Company)

4. OBLIGATIONS OF THE INTERN

The Intern agrees to:

- Maintain strict confidentiality of all information received
- Not disclose or share Confidential Information with any third party without prior written consent
- Not store, transfer, or upload Company data to personal drives, emails, cloud accounts, or external devices unless authorized
- Use Confidential Information solely for Company-assigned work
- Protect all Company data using reasonable security measures
- Not misuse, replicate, or recreate Company intellectual property for personal or external use

- Immediately report any suspected data breach or unauthorized access

AI NATIVE | ACCELERATED

This document is confidential and intended solely for the recipient. Unauthorized distribution or reproduction is prohibited.

4.1 AI Systems, Public Repositories & External Platforms

The Intern shall not upload, disclose, submit, contribute, transmit, process, store, or otherwise make available any Company information, client information, source code, project materials, datasets, prompts, workflows, credentials, communications, or proprietary information to public AI systems, public machine learning systems, public training datasets, public repositories, public benchmarking systems, or similar environments unless expressly authorized in writing by the Company.

5. INTELLECTUAL PROPERTY RIGHTS (IPR)

All work created during training and/or internship, including but not limited to:

- Designs, artwork, prototypes, layouts
- Videos, animations, edits, compositions
- Code, scripts, AI prompts, models, algorithms
- Branding materials, marketing content
- Research, documentation, reports

shall be the **sole and exclusive property of Namaah Private Limited.**

The Intern shall have:

- No ownership rights
- No claim to royalties or future compensation
- No right to reuse the work outside a portfolio without written approval
- No right to transfer, license, or modify the work for external purposes

If portfolio use is approved, it must include the credit:
"Created during my internship at Namaah Private Limited."

5A. Work Made for Hire & Assignment

All deliverables, work products, and materials created by the Intern during training and/or internship, whether alone or jointly and whether created using Company

resources or otherwise, that relate to Company work shall be treated as “**work made for hire**” to the maximum extent permitted by law.

To the extent any such work does not qualify as work made for hire, the Intern hereby **irrevocably assigns** to Namaah Private Limited all worldwide right, title, and interest, including all intellectual property rights therein.

5B. Media, Story & Character Ownership

Company ownership explicitly includes:

- Characters (visual, written, or conceptual), names, designs, traits, backstories, and arcs
- Storylines, narratives, dialogues, episode formats, and series structures
- Story worlds, universes, lore, settings, and timelines
- Drafts, unused concepts, rejected versions, alternate iterations, derivatives, and spin-offs
- Children's content concepts, educational content structures, learning frameworks, characters, narratives, and related intellectual property

5C. AI-Generated Content

Any content generated using AI tools, prompts, workflows, model configurations, templates, or systems provided, instructed, or approved by the Company—whether partially or fully AI-generated—shall be deemed Company work product and shall belong exclusively to Namaah Private Limited.

5D. Moral Rights Waiver

To the extent permitted under applicable law, the Intern waives all moral rights, including rights of attribution and integrity, and agrees not to object to reasonable edits, adaptations, localization, or modifications made by the Company.

5E. Portfolio Usage

info@namaah.io

www.namaah.io

AI NATIVE | ACCELERATED

This document is confidential and intended solely for the recipient. Unauthorized distribution or reproduction is prohibited.

Portfolio usage is not automatic and requires prior written approval. The Company may impose restrictions or revoke such permission at any time.

Portfolio use may be denied for unreleased, monetized, or children-focused content, including content under Namaah Originals and children’s content initiatives.

5F. Source Code, Repositories & Technical Assets

All source code, repositories, scripts, APIs, integrations, databases, configurations, architectures, deployment systems, infrastructure assets, technical documentation, development environments, repositories, and related technical assets created, modified, accessed, or maintained during the internship shall remain the exclusive property of Namaah Private Limited.

The Intern shall not copy, fork, export, replicate, distribute, publish, transfer, or retain such assets except as expressly authorized by the Company.

5G. Open-Source Contributions, Public Repositories & External Publications

The Intern shall not publish, release, contribute, upload, disclose, or otherwise make available Company code, documentation, datasets, prompts, workflows, methodologies, frameworks, tools, or related materials to any open-source repository, public repository, community platform, publication platform, forum, or similar environment without prior written authorization from the Company.

6. NON-SOLICITATION

For a period of **24 months** following the end of engagement, the Intern shall not:

- Solicit or approach Company clients
- Provide services to Company clients, prospects, or business opportunities that were introduced to, assigned to, or materially interacted with by the Intern

through the Company, directly or indirectly, without prior written authorization from the Company

- 
- 
- Poach or recruit Company employees, interns, or freelancers
 - Enter into side arrangements with Company vendors, partners, or collaborators
-

7. DATA SECURITY & SYSTEM USAGE

The Intern agrees that:

- Company systems and credentials are for authorized use only
- Sharing of login credentials is strictly prohibited
- Use of pirated, unauthorized, or unapproved software is prohibited
- All Company security and data protection protocols shall be followed

8. RETURN OF MATERIALS

Upon completion or termination of engagement or upon request:

- All Company property, files, documents, and assets must be returned
- All Company data must be deleted from personal devices
- No backups, screenshots, or copies may be retained
- Written confirmation of compliance may be required

9. TERM & SURVIVAL

AI NATIVE | ACCELERATED

This document is confidential and intended solely for the recipient. Unauthorized distribution or reproduction is prohibited.

This Agreement shall take effect from the date of signing. Confidentiality, intellectual property, data protection, ownership, and related obligations shall survive indefinitely to the extent permitted by applicable law.

Non-solicitation obligations shall survive for twenty four (24) months following completion or termination of the internship.

9A Injunctive Relief

The Intern acknowledges that unauthorized disclosure, misuse, copying, publication, distribution, transfer, or exploitation of Confidential Information or Company Intellectual Property may cause irreparable harm for which monetary damages alone may be insufficient.

The Company shall therefore be entitled to seek injunctive relief, equitable relief, specific performance, or other appropriate remedies in addition to any other remedies available under applicable law.

10. BREACH & REMEDIES

In the event of breach, the Company may:

- Terminate the engagement immediately
- Withhold certificates and Letters of Recommendation
- Seek injunctive relief
- Claim damages and legal costs
- Initiate civil or criminal proceedings as applicable

The Intern shall be liable for all losses, damages, costs, liabilities, claims, and expenses arising from any unauthorized use, disclosure, misuse, retention, publication, transfer, or exploitation of Confidential Information or Company Intellectual Property, to the extent permitted by applicable law.
